Safety Program

On Monday, May 15, we are blessed to have with us Tara Smith, of the Federal Bureau of Investigation, who will present two (2) programs regarding internet safety. The first will begin at 2:00 PM in our gymnasium for students, but parents are welcome to attend at that time. Tara was also gracious enough to present a second time at 6:00 PM for parents that work. I would highly suggest you attend this informative meeting to keep your children safe. We hope to see you there!

Thank You All

I would like to take this opportunity to thank all of our amazing parish and school community family for making me feel welcome and appreciated this school year. I could not possibly feel more blessed or fortunate than I do to be here. St. Augustine is a VERY special place to be, and I am ever so grateful to ALL of you. God bless!
