PASTORAL OFFICE for EDUCATION

The Pastoral Office for Education serves the youth of the diocese in Catholic schools from Pre-K through grade twelve. The goals of the office are to:

- provide leadership, direction, and service to the schools of the Diocese to fulfill the teaching mission of the Church;

To accomplish these goals, in addition to the director, the Associate Director of Education facilitates and assists in the development of curriculum, assessment, and textbook adoption. The Associate Director also serves as the Diocesan Education Safety Specialist.

The office collaborates with the Pastoral Office for Catechesis in the implementation of training for catechetical leaders and catechists, development of curriculum for religious education, and assessment for religious education programs.

ACCREDITATION

St. Augustine School and all schools in the Diocese of Lafayette-in-Indiana are accredited by the Indiana Department of Education and the North Central Association Commission on Accreditation and School Improvement (AdvancED) and will comply with the requirements of both organizations.

AFFILIATIONS

St. Augustine School maintains membership in the National Catholic Educational Association which provides helpful information for Catholic schools and The Indiana Nonpublic Education Association a state-wide organization representing the needs of nonpublic schools to the broader state community specifically to the Indiana Legislature.

CATHOLIC SCHOOLS WEEK

The pastor and principal encourage communication programs which highlight the excellence of a Catholic value-based education at St. Augustine School. The significance of a Catholic school education is its contribution to Church and civic communities, both locally and globally. The school is the parish's investment in its own future and the future of the Church. Catholic Schools Week is a time when this is particularly important to communicate. All teachers will assist with the plans and activities for Catholic Schools Week.

STEWARDSHIP

Christian stewardship calls us to recognize that everything we have is a gift from God. This concept, therefore, drives our development programs and plans. In addition, there must be a conscious effort to integrate the concept of stewardship throughout the curriculum, as well as all school and parish operations.

SPIRIT PAGE

Mascot: Indian

School Colors: Green and White

Fight Song:

When Saint Augustine dribbles down the floor,

We're going to win this game tonight.

And for the green and white we'll fight, fight, fight,

And for the green and white we'll fight with all our might.

Oh, yes we'll fight, fight, fight in every gym,

We'll hit the rim, we'll sink it in.

We'll bury all our opponents beneath the score, beneath the score,

We'll fight, fight, fight.

It is the policy of the Lafayette Catholic School System of the Diocese of Lafayette-in-Indiana to comply with federal and state laws prohibiting discrimination and all requirements imposed by or pursuant to regulations discussed thereto, to the end that no persons in this diocesan educational system (with additional listings in The Official Directory published by P.J. Kennedy and Sons) shall, on the grounds of race, color, national or ethnic origin, gender, with regard to public assistance, age, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any educational program, or in employment, or recruitment, consideration of selection, whether part-time or full-time, under any educational program, employment, or activity operated by the school. All Catholic Schools in the Diocese are equal opportunity employers. Employment is available to all persons based on their job-related merits and qualifications, and without discrimination on the basis of race, color, age, disability, handicap, national or ethnic origin, or sex. Consistent with the religious mission and teaching of the Catholic Church as well as federal and state law, the Diocese reserves the right to require that employees for some positions within the Pastoral Office for Education, as well as some positions within the schools, be held by practicing Catholics.

4. If necessary, St. Augustine School will conduct a random public lottery on April 3, 2017 for the 2017-18 school year.

receipt of the student's official records from the previous school. New students may be accepted conditionally for one semester.

4. Application deadline will be established each spring based on class numbers. For classes that are not full, that deadline will be extended until the class size limit is reached.

REGISTRATIONS AND WITHDRAWALS

The principal, in consultation with the pastor, finalizes all admissions, re-admissions and withdrawals.

TRANSFER OF RECORDS

When a student in grades Kindergarten through five, transfers from another school, St. Augustine will request the records from the other school after receipt of the record release form signed by the parent.

When a student in grades Kindergarten through five transfers to another school, records are sent upon request from the other school to which the student is transferring.

If a parent of a child who has enrolled in an accredited nonpublic school is in breach of a contract that conditions release of student records on the payment of outstanding tuition and other fees, the accredited nonpublic school shall provide a requesting school sufficient verbal information to permit the requesting school to make an appropriate placement decision regarding the child (IC 20-33-2-10). Withholding of student records for non-payment of fees is strongly discouraged.

STUDENT NAME CHANGE

In the event that a child is in a living situation where the parents have a different surname, the school records must be placed under the child's surname. To change a name on a student's record it is required that there be a birth certificate or legal notification of change by court papers.

ACADEMICS AND TECHNOLOGY

HOMEWORK

Homework is assigned to reinforce daily lessons, to supplement and enrich class work, to instill responsibility, and to build organizational skills. Students will normally have homework assignments Monday through Thursday. Parents are requested to check the student's assignment book and direct and assist their child if help is needed, however, the assignments are for the student to complete not the parent. Homework should **generally not exceed** 30 minutes for grades one and two, 45 minutes for grade three, and 60 minutes for grades 4 and 5. If your child continuously asks for help or spends an unreasonable amount of time doing homework, it should be discussed with the teacher.

PROGRESS REPORTS

Interim Progress Reports are sent home midway between each nine-week grading period. The grading codes are on the reports. Scheduled dates will be listed on the monthly calendar.

REPORT CARDS

Report Cards are sent home every nine weeks. The grading codes are printed on the report cards. Scheduled dates will be listed on the monthly calendar.

GRADING SCALE

The grading scale is explained on the report cards and is set by the diocese.

A - 94% to 100%

B - 85% to 93%

C - 75% to 84%

D - 70% to 74%

Grades below passing are indicated by a percent

I - Improving

S - Satisfactory

U - Unsatisfactory

RELIGION GRADING

Religious education is to provide opportunities for information, worship, and service of the students. The only element to be graded is that of information. Therefore, a religion grade is to reflect the student's knowledge of doctrine, principles, practices, and liturgy flowing from the Catholic Christian message and not the quality of formation or transformation taking place in a student's everyday behavior. All students receive a grade in religion as religious education.

FAILURE

If a student is failing a subject, the teacher will notify the parent before report cards and/or interim progress reports are sent home.

RETENTION

Parents are the primary educators of their children. Therefore, when a student experiences academic difficulty it is the parent's responsibility, after consultation with the classroom teacher and principal, to determine if a child is to be retained. If the school cannot meet the child's academic needs as indicated by the parent's decision in either the present grade placement or future placement, it is the school's responsibility not to accept the registration of the student.

ACADEMIC HONESTY

Cheating is a serious compromise of a student's integrity and will not be tolerated. If cheating is discovered, the student's work will be collected by the teacher and given a failing grade. The parents/guardian will be notified by the teacher.

COPYRIGHT

All copyright laws are to be observed in regard to use and distribution of print materials, software, DVD's, videos, and internet resources.

STANDARDIZED TESTS

Standardized tests are administered annually to all students in grades Kindergarten through five; NWEA Measures of Academic Progress in grades K-5, I-READ 3 for grade 3, and ISTEP in grades 3-5.

Computer and Internet Acceptable Use Policy

In each classroom of St. Augustine School internet access is available to the students and teachers. The use of the Internet must be in support of education and research consistent with the educational objectives of the school.

While the purposes of the school are to use Internet resources for constructive educational goals, students may find ways to access other materials. St. Augustine School has taken precautions to restrict access to controversial web sites by the use of Watch Guard Internet Firewall software. However, on a global network, complete control is impossible.

If a St. Augustine School student chooses to violate the following rules the consequences will be termination of access privileges to the Internet and electronic mail and other school disciplinary action. ATTENDANCE

ARRIVAL AND DISMISSAL

The school will assume ordinary responsibility for students between the hours of 7:45 a.m. and 3:00 p.m. No principal wants to be insensitive to those parents who find it convenient to drop the children at school early or pick them up late. However, it is not fair to assume that teachers, staff or principal who arrives early or stays late should be responsible for those children. **Students who arrive before 7:45 am are to go to Early Birds and students who are not picked up by 3:10 will be sent to After-Care.**

Driving or parking on the parking lot is not permitted during school hours, except for drop off and pick up. There is no parking in the bus stop space on Susan St. before and after school.

All students are to arrive and depart by the back parking lot door except for bus riders.

Car Riders Parents who transport their children by car are asked to park on the parking lot or Weston St. **Please enter the lot by the Angelica St. driveway and exit by the Susan St. driveway only.** Please do not use the Weston St. driveway to enter or exit the parking lot and do not park in front of any of the driveways.

We encourage parents to allow their child/children (especially K-5), the responsibility to enter and exit the school building without being escorted by their parents.

Bike Riders should walk their bikes across the parking lot and park their bikes in the bike rack. No bikes may be ridden on or around the premises during the school day.

Bus Riders only are to arrive and depart by the front door. Rensselaer Central School Corporation provides bus transportation for the students. The students are required to abide by all bus rules and policies in the **RCSC Bus Handbook found on pages 30 – 33 of this handbook.** Bus situations requiring a written note from the parent:

1. Parents of a child who is a regular bus rider want their child to ride a different bus, a note from the parent is necessary. The note is to be signed by the principal before the child boards the bus.
2. If a parent wants his/her child to ride the bus and the child is not a regular rider, arrangements must be made ahead of time with Rensselaer Central Schools Administration office. A note must also be sent to the principal to be signed before the child boards the bus.
3. If more than one child is going home with another child and those children are not regular riders on that bus, the parent must call the Rensselaer Central Schools Administration office and ask permission for those students to ride the bus. A note must also be sent to the principal to be signed before the child boards the bus.

You must advise the school if there is a change in the usual plan as to how your child will be going home.

CANCELLATION, DELAY AND EARLY DISMISSAL

When it is necessary to cancel, delay, or dismiss school due to extreme weather, or public crisis, St. Augustine School follows the decisions made by the Rensselaer Central School Corporation and it is announced via: local radio WLFY Lafayette TV, WLFY website, an email notice sent to parents through School Speak, Remind, and our school Facebook page. If St. Augustine School needs to close due to an equipment failure, we notify families via School Speak email, Remind, and our school Facebook page. We will also attempt to call you by phone. **If there is a delay, there is no before school care. If there is an early dismissal, there is no afterschool care.**

ALTERNATE PRESCHOOL SCHEDULE FOR DELAYS

When there is a two hour delay, the preschool morning classes will meet from 10:00 am – 11:45 am, no change for the afternoon classes.

STUDENT ABSENCE

There is a direct relationship between regular school attendance and success in school. School attendance is a mutual responsibility of the parent/guardian and the student. **Make up work is not a true substitute for classroom participation.** A parent/guardian is to notify the school by 9:00 a.m. if a child is not able to attend school and state the reason for the non-attendance. When the student returns to school, a note from home must be presented giving the reason for the absence. Students who are absent due to illness for 5 consecutive days or more must bring an explanation from a doctor. **Students should be free from fever and vomiting for 24 hours before returning to school.** A student who is absent from school for the day, due to illness, may not participate in an extra-curricular activity that day or evening. **If a student has accumulated more than 20 days of absence, the parents will be contacted and it will be reviewed to determine if the student is sufficiently progressing for the next grade level. Excessive absences & tardiness can be regarded as educational neglect by the parent.**

A student who arrives later than 9:30 am will be recorded as ½ day absent for the morning. A student who leaves school for the day before 1:30 pm will be recorded as ½ day absent for the afternoon. Late arrival or early departure from school due to medical related appointments or family related event, will count against perfect attendance, but not excellent attendance if it is earlier than 9:30 or later than 1:30.

Parents wishing to have their child kept indoors at recess time or not participate in PE due to illness or injury must send a note to the classroom teacher.

FAMILY VACATIONS DURING SCHEDULED DAYS OF ATTENDANCE

St. A does not sanction, or approve, vacations on scheduled days of attendance. Anything to the contrary would be in direct conflict with both our Vision and Mission for St. Augustine School and our children. Therefore, we ask that:

- (1) appointments be scheduled outside the school day, or when school is not in attendance
- (2) family vacations and functions be scheduled when school is not in session.

Select circumstances families face may occasionally intervene and conflict with St. A.'s stance on "Family Vacations During Scheduled Days of Attendance." In such a circumstance, St. A. will take the following action(s):

- Perfect Attendance recognition will not be a possibility
- Makeup work will not be prepared ahead of the scheduled family vacation. It will, however, be compiled and made available upon your child's return to school. The due date for makeup work will be scheduled by your child's teacher(s).

TARDINESS

When children arrive late to school, it is disruptive to their routine and also to the other students, teachers, and the principal during morning assembly. A student is marked tardy if she/he arrives after the **8:00** a.m. bell. **A parent/guardian of students arriving after 8:00 must sign their student in at the school office.** Excessive tardiness will not be tolerated, the number of times a student is tardy will be monitored and a parent will be contacted. If a student reaches 10 tardies, the principal may request a conference with the parent. **Tardies do count against perfect attendance. A maximum of 1 tardy per nine weeks will be allowed for excellent attendance.**

PERFECT ATTENDANCE

To qualify for perfect attendance the student may not miss any time at school; no absence, tardiness, late arrival or early dismissal.

LEAVING DURING THE SCHOOL DAY

A student is excused from school during the school day only with written notice from the parent/guardian who also signs the student out in the office at the time of pick-up. The student will not be released from the classroom until the parent/guardian arrives.

MAKE-UP WORK

If you wish to pick up work for your absent child, please call the school office prior to 11:00 a.m. The work will be available in the school office between 3:00 and 3:30 p.m. After 3:30 p.m., the work will be left with the person in charge of After-Care in the gym.

FAMILY VACATION POLICY

St. Augustine School does not encourage students to miss structured classroom work, class assignments, or the opportunity for individual educational attention. This type of absence always places a hardship on the teachers and students.

1. Pre-arranged absences due to family vacations must be in writing at least one week prior to the vacation.
2. Requests must have principal approval.
3. Students may not miss more than five days per semester due to a family vacation.
4. Days missed with pre-arranged approval will be excused up to five days.
5. Days missed without pre-arranged approval will be unexcused.
6. Missed homework, classwork and tests will be allowed to be made up if absence is excused.
7. Arrangements are to be made with the classroom teacher concerning when and how make-up work will be completed.
8. It may not be feasible for the teacher to give the student assignments prior to the vacation.

CO-CURRICULAR AND EXTRA CURRICULAR ACTIVITIES

CLASSROOM PARTIES

Classroom parties during school time are kept to a minimum. Treats may be sent to the classroom for a child's birthday with consideration for promoting student health and well-being as stated in the school Wellness Policy found on p. 29 of this handbook. The teachers and room parents plan parties for special days throughout the school year. If a student receives flowers or balloons at school, they may take them from the office at the end of the day.

EXTRA CURRICULAR ACTIVITIES

Some extra curricular activities that St. Augustine School incorporates that support its mission statement and enhance its curriculum are: Girls and Boys Basketball grades 4 & 5, Cheerleading grade 5, Girl and Boy Scouts, Art Show, Running/Fitness Club and Geography Club. Policies concerning athletics are

listed in the St. Augustine School Athletic Handbook. Additional extra- curricular activities may be added during the school year.

BIRTHDAY PARTY INVITATIONS

Please be sensitive to student's feelings and do not send birthday party invitations to school to be distributed to your child's classmates unless the whole class is being invited, or all the girls for a girl, or all the boys for a boy. We have had several situations where student's feelings are hurt because they have not been invited to a party.

PUBLIC LIBRARY

Each classroom teacher walks her class to the Public Library weekly. Students need one permission form for the year, signed by the parent/guardian, to go. Only students who have library cards will be permitted to borrow books. The library cards are kept in the classroom during the school year.

SCHOOL PICTURES AND YEARBOOK

School pictures of each student are taken every year. Purchasing the pictures is optional. Students may order a school yearbook in the spring. Yearbooks must be paid for in advance.

FIELD TRIPS

Field trips are privileges; no student has an absolute right to a field trip. Students can be denied participation if they fail to meet academic or behavioral requirements. Parents also have the right to refuse their child to participate in a field trip.

Permission form signed by the parent is always required for a student to participate in a field trip.

St. Augustine School uses a signed blanket permission form, included in the registration packet, for all walking field trips. Teachers will inform parents in advance when their child will be gone from school on a walking field trip.

A standard permission form for all other field trips will be sent home with the student, each time he/she participates in a field trip. No other form is acceptable. If a student forgets to return the signed permission form, he/she will not be allowed to participate in the field trip. TELEPHONE CALLS WILL NOT BE ACCEPTED IN LIEU OF THE PROPER SIGNED FIELD TRIP FORM. No student is permitted to leave a field trip, to go with another person, without written permission from the parent and teacher's approval. Field trip chaperones should expect to get specific directions from the teacher as to the procedures to be followed. In most circumstances, pre-school age or younger children should not attend a field trip with the parent chaperone.

WEEKLY MASS

The St. Augustine School students and faculty celebrate the Liturgy each **Friday** and on Holy Days at 8:30 a.m. planned by the students and teachers. We encourage parents, parishioners and guests to attend Mass with us.

COMMUNICATION

St. Augustine School values good and open communication between the parents and the school.

NEWSLETTER

The school newsletter containing pertinent information is published every other Thursday and sent home in the green folder with the oldest child in the family.

SOCIAL MEDIA

St. Augustine will publish information, announcements, and the like via School Speak, Facebook, Twitter, and Remind. Please make certain to subscribe to each of these.

PARENT-TEACHER CONFERENCES

The Parent-Teacher Conferences are scheduled at the end of the first nine weeks. If you wish a conference at any other time with a teacher, please make arrangements directly with the teacher.

NON-CUSTODIAL PARENT

It is the responsibility of the parents to share with the school any official custodial information determined through the courts. Official custodial agreements will be kept in a confidential file in the school office. A custodial parent is responsible for providing school-related information to the non-custodial parent. Upon request, the school will provide all information to a non-custodial parent that is in accord with the legal custodial agreement.

PARENT-FACULTY ASSOCIATION

The Parent Faculty Association (P.F.A.) meets monthly on the first Wednesday at 6:30 pm. The meetings are open to all parents, faculty, and staff. The dues are \$25.00 per family per year to be paid at registration. The P.F.A. is consultative and responsible to the principal. The main objective and duties of the P.F.A. are to organize and carry out the school fund raising activities.

SCHOOL COUNCIL

The School Council is a consultative group of persons having expertise and interest in development of a long-range plan and future funding for the school, the review of school policies in accord with diocesan policy, marketing, and public relations. Members are appointed by the Principal and Pastor. The council does not get involved in personnel or student issues. The council meets the second Monday of September, November, January, March and May.

TELEPHONE USE

The office telephone is to be used by students only in emergency situations; not to make plans that could or should have been made before coming to school. Students must seek permission from their teacher, principal or secretary to use the phone. Phone messages will be delivered to a student, but please do not expect to have a student leave the classroom to take a phone call. Cell phones **may not be used by the**

students during school hours. If a parent deems it is necessary for their child to bring a cell phone to school, it must be turned off and kept in the student's backpack.

VISITORS

St. Augustine School is open to visits by parents/guardians. To keep our school safe and orderly, all visitors are required to enter the school building by the McKinley Avenue entrance, check in at the office and seek permission before going elsewhere in the building. The school secretary will deliver messages to the students or teacher.

VOLUNTEERS

St. Augustine School benefits greatly from volunteers. **All volunteers are required by the Diocese of Lafayette to have Safe and Sacred Conduct Protocol training.** This online training is available on this website: <https://safeandsacred-dol-in.org>. We encourage parents, grandparents, and other adults to get involved as volunteers. Volunteers are asked to check in at the office when arriving at school.

POLICY AND PROCEDURE FOR CONFLICT RESOLUTION

It is the intent of the Diocese of Lafayette-in-Indiana to provide a means for the resolution of problems and complaints of individuals which may arise from the application or interpretation of staff and/or student personnel policies, practices, or procedures. This should be accomplished in an atmosphere of Christian charity and fairness, as well as mutual respect and openness to discussion. When this process is engaged, administrators must keep thorough written documentation including a log with days, times, and content of communications. Email is NOT to be used for written correspondence.

The following steps are recommended for staff, parents, and student personnel if they are having difficulty resolving disagreements.

Step One: The Oral Process

The individual must discuss the problem or complaint, as well as any proposed resolution/relief that he/she may be seeking with the principal within three (3) workdays after the problem or complaint arises. The principal will obtain pertinent information and provide the individual a verbal decision within five (5) workdays following their discussion.

Step Two: The Written Process

If the problem or complaint is not resolved to the satisfaction of the individual in Step One, the individual must present the problem or complaint in writing, as well as any proposed resolution/relief that he/she may be seeking to his/her Pastor or Chief Administrator within three (3) workdays after the completion of Step One. The Pastor or Chief Administrator will obtain any additional pertinent information and provide the individual with a written decision within five (5) workdays following the submission of the individual's written complaint.

Step Three: Review by Dean

If the problem or complaint is not resolved to the satisfaction of the individual in Step Two, then he/she may request a review of the process by the proper Dean. (In the event that the priest/pastor involved in the process is, in fact, the Dean of the area, then the process is referred to another Dean.) This request must be in writing and be given to the Dean within five (5) workdays of the receipt of the report from the Pastor or Chief Administrator.

The Dean should request a copy of the written recommendation from the Pastor or Chief Administrator. In addition, he should meet privately with the aggrieved individual and then with the supervisor or the pastor to obtain any additional pertinent information in the matter. Within five (5) workdays of meeting the involved parties, the Dean is to provide a written recommendation to the individual. Copy of this written recommendation is also to be provided to the supervisor or pastor.

Step Four: Review by Director of Education

If the problem or complaint is still not resolved to the satisfaction of the individual, then the individual may write to the Director of the Pastoral Office for Education. The written request must be sent to the Director within seven (7) calendar days of the receipt of the recommendation given in Step Three. The Director of Education may involve the Director of Human Resources in seeking to resolve the conflict. The decision of the Director of the Pastoral Office for Education will be final.

No person in authority should proceed with the grievance process unless each of the following descriptive steps has been followed completely.

These steps are designed to provide a prompt and fair means of resolving problems or complaints. Time limits provided in this policy may be waived or amended by mutual agreement of the individual and the person to whom the individual appeals in each step of the process. This process begins with the principal. In the case that there is a conflict between individuals under the jurisdiction of the principal, it is assumed that the local conflict resolution procedures have already been followed.

The principles which should be observed when resolving conflicts are:

- 1) Deal with the conflict constructively;
- 2) Strive for effective and honest communications; and,
- 3) Help the involved parties to feel better about themselves and the other.

DISCIPLINE

DISCIPLINE STATEMENT

St. Augustine School has the responsibility to provide a safe environment and an atmosphere that is conducive to learning for all individuals. Therefore, we have established guidelines for behavior consistent with our school mission statement and school philosophy. We respect the dignity of each student and self-esteem and self-discipline are fostered at every stage of development. We make every effort to educate our students about the danger of stereotyping, harassment, bullying, and violence, which are so prevalent in our society today.

A discipline process is to provide opportunity for student growth and development. The discipline punishment is to be commensurate with the offense and/or the repeated violation of discipline criteria. Teachers will inform the parents at the beginning of the school year of her classroom discipline plan.

An atmosphere of Christian respect is to be maintained at all times. Disrespectful or annoying behavior towards any adult or amongst students will not be tolerated and will be reported to the Principal.

St. Augustine School refrains from using corporal punishment as a means for disciplining students. **The principal is the final recourse in all disciplinary situations and may waive any disciplinary rule for just cause at his/her discretion.**

DUE PROCESS PROCEDURE

Students are provided due process in discipline situations. This process provides the student an opportunity to be heard in a situation. All situations are to be discussed between the teacher or supervising adult and student. Situations at this level may require that parents be included in the explanation and discussion of corrective actions. Due process provides for a hearing, not resolution.

Situations not able to be resolved at this level are to be represented and resolved at the level of the principal. Situations leading to suspension or expulsion are to be discussed with the pastor.

BULLYING AND STUDENT HARASSMENT

The school is to be free of discrimination and inappropriate and unlawful harassment and bullying. Actions, words, jokes, or comments based on an individual's sex, race, ethnicity, age, disability, or religion are inappropriate and will not be tolerated in our Catholic school environment. Verbal or written threats made against the physical or emotional well-being of any individual are taken very seriously. Students making such threats (seriously or in jest or online) face disciplinary action by the principal. Bullying is a conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe and disciplined environment. A safe and civil environment in school is necessary for students to learn and achieve high academic standards.

"Bullying" (per IC 20-33-8-.2) means overt, unwanted, repeated acts or gestures, including verbal or written communications or images transmitted in any manner (including digitally or electronically), physical acts committed, aggression, or any other behaviors, that are committed by a student or group of students against another student with the intent to harass, ridicule, humiliate, intimidate, or harm the other targeted student and create for the targeted student an objectively hostile school environment that:

- (1) places the targeted student in reasonable fear of harm to the targeted student's person or property;
- (2) has a substantially detrimental effect on the targeted student's physical or mental health;
- (3) has the effect of substantially interfering with the targeted student's academic performance; or
- (4) has the effect of substantially interfering with the targeted student's ability to participate in or benefit from the services, activities, and privileges provided by the school.

Bullying fosters a climate of fear and disrespect that can seriously impair the physical and psychological health of its victims and create conditions that negatively affect learning. Bullying includes unwanted, aggressive behavior that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. The imbalance of power involves the use of physical strength, or popularity to access embarrassing information to control or harm others. Bullying can occur anywhere (in-school or outside of school) and at any time – both during and after school hours. Bullying can include **physical bullying, verbal bullying, social/relational bullying, and electronic/written communication.**

Physical bullying involves hurting a person's body or possessions. It includes hitting/kicking/punching, spitting, tripping or pushing, taking or breaking someone's things, and making mean or rude hand gestures.

Verbal bullying involves saying mean things. It can include teasing, name-calling, inappropriate sexual comments, taunting, or threatening to cause harm.

Social/relational bullying involves hurting someone's reputation or relationships. Social bullying involves telling other children not to be friends with someone, leaving someone out on purpose, spreading rumors about someone, or embarrassing someone in public.

Electronic/written communication involves cyber-bullying, collective or group note writing, any bullying undertaken through the use of electronic devices (computer, cell phones).

HAZING

Hazing refers to any activity expected of someone joining a group or to maintain full status in a group that humiliates, degrades, or risks emotional and/or physical harm, regardless of the person's willingness to participate. Administrators, teachers, supervisors, and support staff can be held responsible for this activity if they know or should have known about it. The following duties can help to prevent harassment in general or hazing in particular:

- a) Minimize risks by examining student practices and routines on and off school
- b) campuses;
- c) Educate the students showing how word or deed can demean others;
- d) Investigate if a student expresses discomfort or reports being hazed or witnessing
- e) someone else being hazed;
- f) Report any conduct which may constitute hazing to administrators immediately;
- g) Discipline students with prompt corrective action who engage in hazing;
- h) Monitor and be watchful of student activities that intimidate or threaten mental health, shame, humiliate, embarrass, or affect the student's dignity.

Retaliation against any student for complaining of harassment, bullying or hazing or enforcing these policies is a violation of these policies and is strictly prohibited. Any overt or covert act of reprisal, interference, restraint, penalty, discrimination, coercion, intimidation or harassment against an individual for exercising rights under this policy will be subject to prompt and appropriate disciplinary action up to and including expulsion from the school.

SUSPENSION, EXPULSION AND EXCLUSION

While suspension or expulsion are not desirable, both forms of discipline are within the jurisdiction of the principal. Expulsion will be used only after conferences with the parents and student. A student may be suspended for misbehavior without a conference. Reports to civil authorities will be made as necessary.

Grounds for expulsion or suspension include but are not limited to the following:

1. Reasonable cause of possible harm to another person such as the use of force, violence, noise, coercion, threat, intimidation, fear, passive resistance, or behaviors interfering with school purposes or urging others to engage in such behavior.
2. Setting fire to or substantially damaging school property or building.
3. Possessing, handling, or transferring an object that could be considered to be a weapon or urging others to do so.
4. Possessing, using, or transmitting any controlled or abused substance, such as a narcotic or alcoholic beverage
5. Unlawful soliciting or selling of a controlled or abuse substance.
6. Substantial number of instances of disrupting classroom, or educational function, or unlawful meeting on school property.
7. Continuously and intentionally making noise or acting in any manner so as to interfere with the ability of a teacher or other school personnel to educate.
8. Stealing or attempting to steal school property or private property.

9. Intimidating any student with the intent of bodily harm
10. Taking something of value from another person.
11. Any activity interfering with the ability of a teacher or any other school personnel to conduct the educational function under one's supervision.
12. Repeated violation of any rules.
13. Engaging in unlawful activity on or off school grounds if it is considered to be an interference with school purposes or educational function.
14. Excessive violation of the school Computer and Internet Acceptable Use Policy.
15. Harassment, bullying of students or staff including hazing, cyber-bullying and sexting.

SECLUSION AND RESTRAINT - A full copy of our school's plan is available by request in the school office.

St. Augustine School believes a safe and healthy environment should be provided in which all children can learn, develop, and participate in instructional programs that promote high levels of academic achievement. As an Indiana accredited non-public school, state law requires that our school has a Seclusion and Restrain Plan. The purpose of the plan is to insure that all students and staff are safe in school, and that students who may have behavior crises are free from inappropriate use of seclusion or restraint.

Seclusion or restraint shall not be used as routine school safety measures; that is, they shall not be implemented except in situations where a child's behavior or action poses imminent danger of physical harm to self or others and not as a routine strategy implemented to address instructional problems or inappropriate behavior (e.g., disrespect, noncompliance, insubordination, out of seat), as a means of coercion or retaliation, or as a convenience. Any use of either seclusion or restraint shall be supervised, short in duration and used only for the purposes of de-escalating the behavior.

CODE OF CHRISTIAN CONDUCT

The students' interest in receiving a quality, morally based education can be served if students, parents, and school officials work together. Normally, differences between these individuals can be resolved. In some instances, however, the school may find it necessary, in its discretion, to require parents/guardians to withdraw their child.

It shall be an expressed condition of enrollment that the student behaves in a manner, both on and off campus that is consistent with the Christian principles of the school as determined by the school in its discretion. These principles include, but are not limited to, any policies, principles, or procedures set forth in any student/parent handbook of the school. Should a revision of a policy or procedure be necessary during the school year, it will be addressed in the monthly Parent Newsletter.

It shall be an expressed condition of enrollment that the parents/guardians of a student shall also conform themselves to standards consistent with the Christian principles of the school, as determined by the school in its discretion. These principles include, but are not limited to, any policies, principles, or procedures set forth in any student/parent handbook of the school.

These Christian principles further include, but are not limited to, the following:

- Parents/Guardians are expected to work courteously and cooperatively with the school to assist the student in meeting the academic, moral, and behavioral expectations of the school.
- Students and parents/guardians may respectfully express their concerns about the school operation and its personnel. However, they may not do so in a manner that is discourteous, scandalous, rumor driven, disruptive, threatening, hostile, or divisive.

- These expectations for students and parents/guardians include, but are not limited to: all school-sponsored programs and events (e.g., extended care, athletics, field trips, etc.).

The school reserves the right to determine, in its discretion, which actions fall short of meeting the Christian principles of the school. Failure to follow these principles will normally result in a verbal or written warning to the student and/or parent/guardian and normally will result in disciplinary action short of a requirement to withdraw from the school (e.g., suspension of student or suspension of parent/guardian's privilege to come on campus grounds and/or participate in parish/school activities, volunteer work, etc.).

The school reserves the right to determine, in its discretion, when conduct is of such severe nature as to warrant immediate action without a warning and/or without an intermediate step short of withdrawal.

BEHAVIOR OUTSIDE OF SCHOOL

Students may be disciplined for off-campus behavior that may endanger the health or safety of students of the local school community or behavior that adversely affects the educational process or damages the reputation of the school. Possible events that may be a cause of endangerment include:

- a) threats of violence to other students or teachers;
- b) off-campus use of addictive substances such as alcohol, cigarettes, controlled substances;
- c) off campus fighting linked to school behaviors;
- d) internet activity that is threatening or offensive to others; or
- e) criminal activity.

CRISIS CONFRONTATION

The safety and well-being of every student, the school staff and the educational and disciplinary environment of our Catholic Schools are of paramount importance. Catholic school authorities, therefore, must often make judgments which are intended to directly and quickly address potential problems and dangers they perceive based upon information received or obtained and/or behavior observed with respect to a particular student or group of students.

Therefore, the provisions of this section may be invoked by school authorities without prior notice to the student or the student's parents in any instance where school authorities possess information which leads them to conclude that a reasonable possibility exists that any of the following events occurred, is underway, or may occur absent intervention:

- a student has engaged in or has threatened to engage in any illegal conduct, whether or not on school property;
- a student has engaged in or threatened, attempted or made plans to engage in any intentional conduct that did, may, or would represent a risk of physical harm to any person or persons, whether or not on school property;
- a student has voluntarily participated in or assisted in any conduct which, although not illegal, encourages, invites or entices, by word or example, any other person to engage in conduct violative of the law or violative of the Code of Christian Conduct;
- a student knowingly possessed, used, transmitted or has been under the influence of any controlled substance, alcoholic beverage or intoxicant of any kind on school property or at any school function;
- a student knowingly possesses, handles, conceals or transmits any object that could be used as a weapon or instrument of destruction on school property or at any school function;
- a student knows but fails to disclose to school authorities, that another student either:
 1. has threatened or made plans to engage in conduct that would intentionally present a risk of physical harm to any person or persons; or

2. has possessed, handled, concealed or transmitted any object that could be used as an instrument of destruction on school property or at any school function.

Upon the receipt of such information, school authorities, in addition to all other remedies available, shall have the authority to confront the student and/or the student's parents or guardians and to impose, as a condition of such student's continued enrollment, any reasonable requirements and/or restrictions upon such student and his or her parents or guardians which, in the opinions of school authorities are necessary to protect the general student body, the school itself, the educational mission of the school and/or members of the general public. The failure or refusal of a student or parent to comply with such requirements, conditions and/or restrictions shall be grounds for the immediate expulsion of the student and reporting to civil authorities where applicable by law.

FINANCIAL MATTERS

The annual cost of educating one K – 5 student at St. Augustine School is approximately \$5000.00. This per student expense is covered by a combination of fundraising activity profits, donations, parish subsidy, and tuition. The members of St. Augustine Parish have a strong commitment to the mission of the school and to the ministry of education. In the past year, the fundraising activities, donations, and tuition and fees covered about 88% of the total cost of operation of the school. St. Augustine Parish subsidizes the other 12%.

TUITION

There are two levels of tuition for students in grades Kindergarten through five at St. Augustine School: **Parishioner** and **Non-parishioner**.

For our purpose, a family will be charged according to these definitions:

Parishioner: at least one parent of the student is a Catholic who is registered at St. Augustine Parish, regularly attends Sunday liturgy and contributes to the support of the parish using Sunday envelopes. A reminder letter may be sent during the school year to those who are not following the definition of a parishioner in regards to the amount of tuition paid.

Non-Parishioner: neither parent (Catholic or Non-Catholic) is a registered member of St. Augustine Parish.

All parents are expected to give of their time and effort to the school by volunteering and supporting the fundraising projects.

St. Augustine School
Wellness Policy

The administration, faculty, parents, and parish community of St. Augustine School recognize the importance of sound health practices in the educational development of the students. We acknowledge that good nutrition and physical activity affect the health and well-being of all students and that our students' food choices and level of physical activity directly influence their ability to learn. We are aware that childhood obesity has become an increasing problem and know school can play an important role in the development of good health and nutrition habits that will follow the student into adult life. We recognize that these good habits begin in the home, but we also acknowledge that the school can assist parents in teaching wellness attitudes and actions by providing nutritious meals and snacks, supporting the development of good eating habits and promoting increased physical activity both in and out of school.

Therefore, the following goals have been set in an effort to enable students to establish good health and nutrition habits:

- A. With regard to nutrition education and promotion, the School shall:
1. Include nutrition education in the classroom Health curriculum to provide students with the knowledge, attitudes, and skills necessary to lead healthy lives.
 2. Display nutrition education posters in classrooms and the gym.
 3. Provide adequate nutrition education resources to teachers.
 4. Nutrition education will include lessons that cover topics such as how to read and use food labels, choosing healthy options and portion control.
 5. Nutrition education resources will be provided to parents/guardians.
 6. School staff will collaborate with community groups and organizations to provide opportunities for student projects related to nutrition.
- B. With regard to physical activity, the School shall:
1. Provide a sequential, comprehensive physical education curriculum, which provides students with opportunities to learn, practice, and be assessed on developmentally appropriate knowledge, attitudes, and skills necessary to engage in lifelong, health-enhancing physical activity.
 2. Provide 15-minute morning recess to all students in grades K-5, outside, weather permitting.
 3. Provide 20-minute lunch recess to all students in grades K-5, outside, weather permitting.
 4. Not use physical activity as a form of discipline or punishment.

- C. With regard to other school-based activities the School shall:
1. Schedule lunchtime so there is minimum disruption by recess, special programs or events and other schedules.
 2. Encourage physical activity and health habit formation at after-school programs.
 3. Require after school functions that serve or sell food and drinks to include healthy food and drink choices among their offerings.
- D. With regard to foods available during the school day the School shall:
1. Adhere to the policies set forth by the Rensselaer Centrals Schools Corporation in regard to the Food Service program (Policy 8500) and Free and Reduced Price Meals (Policy 8531) for lunches prepared by the Rensselaer Centrals Schools Corporation served at St. Augustine School.
 - a. Policy 8500 states: *the food service program shall comply with Federal and State regulations pertaining to the selection, preparation, consumption, and disposal of food and beverages as well as to the fiscal management of the program.*
 - b. Policy 8531 states: *the guidelines for reimbursable school meals meet or exceed the regulations issued by the U.S. Department of Agriculture(USDA).*
 2. Provide all students affordable access to the varied and nutritious foods they need to be healthy and to learn well.
 3. Require that all foods available to students in school programs, other than the lunch program, will be served with consideration for promoting student health and well-being.
- E. With the objectives of enhancing student health and well being and reducing childhood obesity, the School states:
1. The principal of St. Augustine School has the operational responsibility for measuring and evaluating the School's implementation and progress under this policy.
 2. This policy will be reviewed and assessed annually by the School Council.

Dear Parents and Guardians,

The information in this letter is being transmitted in order for the Diocese of Lafayette to fulfill its annual obligation under the Asbestos Hazard Emergency Response Act (or AHERA).

More specifically, the Diocese of Lafayette, as the Local Education Agency (or LEA) is required by AHERA to:

Ensure that workers and building occupants or their legal guardians, are informed at least once each year about inspections, response actions, and post-response action activities, including periodic re-inspection and surveillance activities that are planned or in progress.

At this time, we can report that the following activities and milestones have occurred since our last notification:

1. The required surveillance activity has been completed for the current six-month period.
2. The Operations and Maintenance plan has been implemented to ensure asbestos in the school buildings are maintained in a non-hazardous condition.

Meningococcal Disease

August 2016

Dear Parent/Guardian,

Indiana law requires each year that parents/guardians be informed “about meningococcal disease and its vaccine” (IC 20-30-5-18).

Meningococcal disease is a dangerous disease that can strike children and youth. The disease can progress rapidly and within hours of the first symptoms, may result in death or permanent disability including loss of hearing, brain damage, and limb amputations.

Symptoms of meningococcal disease often resemble the flu and can include a fever, headache, nausea, and stiff neck, making the disease difficult to diagnose. The bacteria that cause meningococcal diseases are transmitted through air droplets and by direct contact with an infected person. Fortunately there is an immunization available and the U.S. Centers for Disease Control and Prevention recommends routine meningococcal immunizations at 11 to 12 years old. For teenagers, immunization is recommended at high school entry and incoming college freshman. The current vaccine, MCV4 (Menactra TM) used to prevent Meningococcal disease, is licensed for use in ages 11 – 55.

Attached is a ‘quick fact’ sheet on Meningococcal Disease. Resources to obtain more information in addition to your physician/health care provider and local health department include the following Websites:

About... Meningococcal Disease

What is meningococcal disease?

Meningococcal disease is caused by bacteria. Meningococcal disease can cause an infection of the covering of the brain and spinal cord (meningitis) or the blood. The bacteria can live in the membranes of the nose and throat, usually with no symptoms. In a small number of people, the bacteria pass to the blood, causing either a serious infection of the blood or meningitis.

How is it spread?

The bacteria are spread from person to person by direct contact with an infected person's nose or throat secretions:

What are the signs of being sick with this germ?

Illness often starts with a sudden fever, headache, stiff neck, a rash, and possibly nausea and vomiting. An infected person may be very sick within a few hours and should seek medical care immediately.

Who is at highest risk for getting the disease?

Babies, children and young adults are most likely to get the disease. People living in crowded places are at higher risk for infection. Outbreaks usually do not occur in school or workplace settings.

Can meningococcal disease be prevented?

Yes, the disease can be prevented by good hygiene. Cover nose and mouth when sneezing or coughing, throw used tissues away and wash hands often. Is there a vaccine available?

What vaccines may prevent a child from getting this germ?

Two vaccines are available to prevent this infection:

Meningococcal Conjugate Vaccine (MCV4), which is *Menactra*

This vaccine is licensed in the U.S. for persons 11-55 years of age. It is likely that this vaccine or a similar vaccine will be licensed for younger age groups in the future. This vaccine is recommended for:

- Young adolescents at the pre-adolescent visit (11-12 years old)
- Adolescents at high school entry (about 15 years old)
- Groups that have a higher risk of meningococcal disease, such as students that will be college freshmen living in dormitories.

Meningococcal Polysaccharide Vaccine (MPSV4), which is *Menomune*

Please contact your health care provider for specific instructions regarding your child.

Bus Handbook

STUDENT DISCIPLINE

Indiana Code 20-27-10-2 Discipline on bus (2007-08 Indiana School Laws and Rules)

Sec. 2 When students are being transported on a school bus, the students are under the supervision, direction, and control of the school bus driver and are subject to disciplinary measures by the school bus driver and the governing body of the school corporation.

1. Bus rules should be clearly understood by the driver, the student and the parents.
2. Bus rules should be enforced by the school bus driver in a consistent and fair manner. Failure to enforce the rules on a daily basis may lead to the students thinking that the rules are not important and they may respond accordingly.
3. Observe the rights and privileges of each student only as long as he/she obeys the rules of good bus behavior. The moment a student "gets out of line", deal with him/her fairly, partially, and in the same manner you treat all similar offenders. In the eyes of students, one fault an adult may commit is to "play favorites".
4. When dealing with behavior problems, try to handle them before they become major problems. Many times, just talking with the student in private, before he/she gets off the bus, may solve the misbehavior.
5. If behavior problems persist, then a change of seat or an assigned seat may be necessary.
6. If the behavior problem is a serious one or if the student does not respond to actions taken prior to this point, then a **Bus Conduct Report** needs to be completed. This report will alert the school principal and the parents that a problem exists. Further misbehavior that warrants additional Bus Conduct Reports, warrants disciplinary measures by the principal/asst. principal with bus privileges being withdrawn as a last resort.
7. Do not put up with misbehavior over a long period of time without taking action.
8. Insist on good behavior and follow consistent procedures to achieve it.
9. Enlist the aid of the school administrators to help you solve serious problems. The principal's or asst. principal's office is always a better place for a calm discussion of a problem than attempting to solve the problem on a crowded bus.
10. School Bus Drivers may invoke a one (1) day suspension from the bus for any student, but he/she will follow a procedure that notifies all parties of the disciplinary action.
 - a. If the problem occurs during the morning route, the student may be suspended for the entire next school day.
 - b. Fill out the Bus Conduct Report and give the Report to the building principal/ asst. principal. The student needs to be informed that he/she will not be riding the bus the next day. The suspension should be served as soon as possible after the misbehavior.
 - c. Obtain the parent's telephone number and notify them the day the child may be suspended from the bus. By making this parent contact, you are communicating to the parents your authority in dealing with disciplinary problems. This provides the parents an opportunity to make transportation arrangements for the student.
 - d. Make sure all necessary parties obtain a copy of the Bus Conduct Report including you.
11. If the problem occurs during your afternoon route and the misbehavior warrants suspension, but not the next day, uses the same procedure that occurs during the morning route.
12. If the problem occurs during your afternoon route and the misbehavior warrants next day suspension, you are to proceed as follows.

- a. As soon as you return home, contact the principal/asst. principal at school or home and explain the problem. Obtain the parent's telephone number from the school so that you can notify them of the suspension that evening.
 - b. Fill out the Bus Conduct Report before calling the parents.
 - c. Contact the parents and notify them of the suspension.
 - d. The next morning, supply the principal/asst. principal with the Bus Conduct Report. At this time, you and the school official can determine if there is any need for additional suspension.
13. As school personnel, we have the obligation to communicate with the parents concerning their child's misbehavior and ensuing fair and consistent disciplinary action. The following rules and policies are located in the Student Handbooks at all schools including St. Augustine Catholic School.
 14. School bus drivers are responsible for all students conveyed between the homes of students and the schools. The driver will keep order and maintain discipline among the students while they are on the bus and when students are picked-up and dropped-off. The driver shall treat all students in a civil manner and will see that no student is imposed upon or mistreated while in his/her charge. The driver will use care in the safety all of students under his/her charge.

Rule Violations and Disciplinary Policy

A. **Alcohol and/or Drugs**: Any student in possession of, using, dispensing and/or selling drugs or alcoholic beverages on a school bus shall be in violation of State law and School Board Policy.

Disciplinary Action: Student has bus riding privileges revoked for the remainder of the school year. Student will be suspended from school for ten (10) days and recommended for expulsion.

B. **Smoking-Tobacco** (including smokeless tobacco): Indiana statutory law prohibits the sale and use of tobacco to minors and the School Corporation does not permit its use or possession on school property, including school buses.

F. **Dangerous Actions**

Any other action that is considered dangerous to any individual on the bus may result in the loss of bus riding privileges for an indefinite period of time and is to be decided by school officials.

G. **General Rules and Disciplinary Action**

1. Students should “care about others” while on the school bus. They are also given the charge to “be the best they can be” and always “do the right thing”.
2. Each student will take his/her seat or assigned seat immediately upon entering the bus. Older students are advised to be seated at the rear of the bus so that, in the event of an emergency, they are to assist smaller and younger students exit the bus through the rear door.
3. No student will stand or move from seat to seat during the trip without the permission of the driver.
4. Loud, boisterous or indecent conduct will not be tolerated.
5. Windows and doors will not be opened or closed except by permission of the bus driver.
6. No student will enter or exit the bus until it has come to a complete stop and the door has been opened by the bus driver.
7. Squirt guns, water balloons, large portable radios, “jam boxes”, fireworks or any objects determined to be dangerous by the bus driver, will be prohibited on the school bus.
8. No snowball throwing will be allowed in the bus parking lot nor will snowballs be allowed on the busses.
9. No “pop”, candy or gum will be consumed on the busses.
10. Students will not be allowed to tease, scuffle, trip, hold or use their hands, feet or body in any objectionable manner.

Disciplinary Action for General Rules #2-#10 above

1. First Offense—the driver calls the parent(s) and completes a Bus Conduct Report (and gives it to the principal/asst. principal of the student’s school). A conference will be held with the student, parent, principal and bus driver. (Disciplinary action for additional infractions will be explained.)
2. Second Offense—bus riding privileges may be suspended for 3-5 school days.
3. Third Offense—bus riding privileges may be revoked for remainder of the semester.

All rule violations and disciplinary actions will be documented in writing (using the Bus Conduct Report) and kept on file in the student’s respective school office and at the office of the Director of Transportation. Students may be subject to other sanctions as covered in their respective RCSC Student Handbooks.

H. **Students and Bus Drivers**

Students who interfere in any way with the bus driver’s commands or ability to drive are subject to the above stated disciplinary policies. And in addition may be subject to immediate suspension from the school bus.

Use of Electronic Devices on School Buses

Many students use electronic devices as part of their daily lives. iPods, handheld games, iPads, etc. are fun to use and often can make the ride to and from school more enjoyable.

Unfortunately, misuse of these items can be detrimental to the safety and well-being of other students and the bus driver. The transportation department will follow the guidelines below:

- Students are allowed to use MP3 players, CD players, iPads, iPods, cell phones, and other similar electronic devices on school buses.
- Electronic devices must be kept at an acceptable volume level. It is strongly encouraged that these devices be placed on mute or operated with headphones.
- Students who allow their electronic devices to become a distraction or disruption on the school bus will be asked to put them away. Failure to do so may result in the item being confiscated. Parents will then be required to pick up the item at the student's school during normal hours of operation. .
- Video! audio recordings and pictures are not allowed to be taken by students riding district buses.
- The use of any electronic device is a privilege. Students may lose this privilege if they fail to follow safety instructions from the driver.
- The school district will not be held responsible for the loss/theft of portable electronic devices that are lost on school buses.

Approved. 12/18/12

Transportation Related Information

- A. Arrival of busses in the morning:

In case of an emergency causing late arrival by the student at his/her station, the school bus driver will be required to wait no longer than one (1) minute for the student. If a student is continually late arriving at his/her boarding station, the Director of Transportation and/or the bus driver will contact the parents of the student. Parents should notify the driver if their child(ren) are not riding on a day or week or longer.
- B. School Closing or Delay at the start of the school day:
